Hi Eric,

Just wanted to make sure you had seen these. They are pretty rough on the phasing that we had discussed today so please take a look and revise as appropriate. Thanks.

I will do minutes from today's meeting as well and hope to get those out tomorrow.

Thanks,

Emmanuelle

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the **10th** of the month following the month that you receive results, or the **10th** of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.

Subject: RE: Call Minutes?

Hi Eric,

I apologize for taking so long to put these together. Since there are funding commitments stated in the notes, I agree that a paper trail is a good idea even a week later. If you could review and revise as appropriate, I'd appreciate it. I believe our next call is on Wednesday at 9am.

Thanks,

Emmanuelle

Subject: Call Minutes?

Hi Emmanuelle,

Would you mind drafting minutes for today's call and I will supplement as needed. I think it important to have a paper trail. I have some thoughts regarding our call today but thought I'd save them for tomorrow and maybe after seeing your draft minutes?
